Mysuru, Sept. 1 (MTY&BCT)- Marking the official commencement of grand Dasara-2023, 'Gajapayana', a procession of nine caparisoned elephants, led by Abhimanyu that will carry the Golden Howdah *(Ambari)*, began from the elephant camp today.

Gajapayana was set in motion at Veeranahosahalli Gate on the outskirts of Nagarahole National Park in Hunsur Taluk by District Minister Dr. H.C. Mahadevappa, who performed *puja* to Abhimanyu and team in the presence of Forest Minister Eshwar Khandre, Hunsur MLA G.D. Harish Gowda, MLC C.N. Manjegowda, Mayor Shivakumar and a large number of officers.

The event commenced in the auspicious Tula Lagna between 9.45 am and 10.15 am. Priest S.V. Prahallad Rao, entrusted with performing *pujas* for the Dasara elephants for several years, conducted the rituals.

The ceremonies began with *Padapuja*, where '*Arishina Kumkuma*' was sprinkled at the feet of the elephants. Subsequently, the elephants were treated to '*Modaka*' and '*Pancha Phala*' (five fruits). The elephants are scheduled to reach the Forest Department's Aranya Bhavan at Ashokapuram in city this afternoon as they are transported on trucks. They will receive a traditional welcome at Mysore Palace on Sept. 4. Leading the procession was Abhimanyu from the Mathigodu Elephant Camp, captured in the Hebballa Forest in Kodagu in 1970. Abhimanyu has been an integral part of Dasara since 2012 and served as the lead elephant for the music band carriage until 2015.

## EDITOR'S BOTTOMLINE

***The cut in the price of cooking gas cylinders by Rs. 200 is welcome at a time when there is an all-round increase in prices. The price of Rs. 1,100 for a domestic LPG cylinder until this week, nearly double of what it was three years ago, had put gas cylinders beyond the reach of many people, especially Ujjwala beneficiaries. The price cut has been described as a Raksha Bandhan gift. But when the gift wrapper is removed, there is a political message that seeks votes in return. Assembly elections are to be held in five States this year and general elections are due next year. The high price of LPG cylinders and the general price rise that has affected all commodities could be a major campaign point that could go against the BJP. The cut in LPG price is meant to control the damage.***

***The reduction in LPG price will shift focus to the continuing high prices of petrol and diesel which are difficult to justify now. Much of India's crude imports are from Russia now and Russian crude, since the Ukraine war, is much cheaper than the Gulf crude. But the price benefit has not been passed on to consumers. Petrol, diesel prices may also be reduced in the coming days — another 'gift' in view of the coming elections. There could be other measures, too.***

***Prime Minister Modi criticises opposition parties for offering 'freebies' to voters. Is not the reduction in LPG prices a 'freebie,' especially when it is described as a 'gift.' Indeed, how has the language of 'gift' crept into a decision of the Government of India? Is this 'gift' being given out of somebody's pocket? Why are such 'gifts' only given ahead of elections? Why are 'freebies' right when the government gives them? The most important question is how the voters will respond to the message.*** — *In Deccan Herald*

### The world's most expensive piece of cheese

Las Arenas de Cabrales: A Spanish restaurant recently paid 30,000 euros ($32,800) for a 2.2kg (4.85 lbs) piece of handmade cheese, thus setting a new world record for the most expensive piece of cheese.

Every year, in the last week of August, the town of Las Arenas de Cabrales hosts a contest where the best pieces of Cabrales cheese are auctioned off to the highest bidder. This year, Llagar de Colloto, a restaurant in Oviedo, Spain, paid a whopping 30,000 euros for a piece of Cabrales cheese made by hand from cow and goat milk and matured for several months in a cave in Los Picos de Europa mountains. Made by the Los Puertos cheese factory from Poo de Cabrales, the 2.2kg piece of cheese was selected by the jury as the best of the cheeses of fifteen producers who participated in the contest and was the most coveted in the subsequent auction.

Cabrales cheese has become increasingly popular both in Spain and abroad, with 66,226 kilos sold last year in the European Union alone.

# Minister asks MCC to submit report on vehicle repair contract

B.S. Suresh

Bengaluru, Sept. 1 (RK&DM)- Stating that it has come to his notice that MCC vehicles repair contract has been awarded to a single party for the past five years without calling tenders, Urban Development Minister B.S. Suresh (Byrathi Suresh) asked the MCC officials to submit a report in this regard in 15 days as he sensed lapses on the part of officials.

He was speaking after presiding over the MCC works progress review meeting at Vidhana Soudha in Bengaluru on Thursday.

Pointing out that the outstanding water bills due to the MCC stands at a whopping Rs.200 crore (inclusive of interest), Suresh said that most of the defaulters are from poor and Middle class families. "The Government has plans to come up with a one-time settlement for defaulters for payment of their pending bills with interest waiver. The MCC should send a proposal in this regard", he said.

Continuing, the Minister said that the MCC should expedite construction of Pourakarmika houses being built under Gruha Bhagya scheme. Noting that only 45 percent of the works have been completed regarding construction of G+3 Model houses for 158 MCC pourakarmikas, he wondered what was hindering the officials for completing the works when there was no dearth of funds.

"The MCC has 2.27 lakh taxable properties and the tax should be stipulated properly so that the MCC does not lose out on revenues. The MCC has set a Rs.162 crore tax collection and this may even rise to Rs.180 crore if there is proper tax fixation and collection. All the Zonal Officers should look at this prospect of revenues," he pointed out.

The MCC officials sought permission for setting up two more Indira canteens in city in addition to the 11 that are in existence. In response the Minister said that the Government is committed for social justice and the Government has plans to increase the number of Indira canteens.

Referring to revenues from installation of hoardings, the Minister said that Mysuru is growing at almost the same pace of Bengaluru. Observing that Mysuru which is known as the city of Palaces, seems to be dotted by big sized advertisements boards, billboards, hoardings, flexes etc., Suresh said that it is not correct on the part of the MCC to have projected advertisement board earnings at just Rs.70 crore for the year 2023-24. He asked the MCC officials to revise the projection by fixing an appropriate fee for advertisement hoardings, which helps in revenue augmentation.

Maintaining that there are nine advertisement agencies in Mysuru, the Minister said it is not proper that only one of them take part in the tender or award the contract to the lone tenderer. The tender process should be such that everyone will get an equal opportunity, he noted.

Referring to streetlights issue, Suresh said that action should be taken if there are any lapses on the part of the contractor. Also, the officials should take immediate steps to fix potholes. He further directed the officials to introduce e-administration for addressing public grievances and complaints, he said.

Wanting to know why there has been a delay with e-Office software having been installed over a year ago, he said that action must be taken to ensure that e-administration is in place in a week.

Urban Development Department Secretary Dr. Ajay Nagabushan, Municipal Administration Director N. Manjushri, MCC Commissioner Ashaad-Ur-Rehman Shariff, Additional Commissioner Roopa and other officials were present.

# Youth hacked to death near H.D. Kote

Bhanuprakash

H.D. Kote, Sept. 1- A youth, who was accused of allegedly sending a message to a woman, has been hacked to death at Nerale village near H.D. Kote and his body was found near the Kabini Left Bank Road yesterday morning.

The deceased has been identified as Bhanuprakash (23), son of Puttaswamy of Nerale village, who was working as a tractor driver.

It is learnt that Bhanuprakash had sent a message to the mobile phone of a woman from the same village and a big fight had broken due to it. The village elders held a panchayat and a truce was brokered between the two families.

But yesterday morning, the villagers found the body of Bhanuprakash and immediately informed the Police. Antharasanthe Police, who rushed to the spot, conducted an inspection and identified the body as that of Bhanuprakash alias Siddu.

The Police, who swung into action immediately, took a few people into custody for questioning and it is learnt that the Cops had also arrested a few people. As soon as the murder news spread like wildfire, villagers began to arrive in large numbers causing tension at the spot.

# Lacuna in biometric updating process at Aadhaar Seva Kendra

Sir,

I visited Aadhaar Seva Kendra, operated by UIDAI in Saraswathipuram, Mysuru, on 13.6.2023 to update my biometrics. My Aadhaar number is xxxx-xxxx-9489. Original date of issue is 26.1.2011. I received updated card on July 20, 2023.

I wish to bring to your notice a lacuna while going through the process of updating.

**1.** The person doing the work of updating does not inform the customer whether the biometrics of fingers have been successfully captured so as to replace the old ones in the central server and to be used for authentication later. Face and iris may have been updated successfully as indicated in the acknowledgement form containing money receipt given to the customer.

**2.** Failure to update the finger biometrics leads to a lot of problems at other service centres like ration shops, electricity offices or any others who insist on proof of identity based on Aadhaar number authentication using finger print sensing machines only. Thus, the very objective of updating is defeated.

These centres are not provided with iris sensors or facial recognition equipment to complete the process of authentication.

**3.** Because of this lacuna, many lady house-heads have to forego Gruha Lakshmi registration and have to do many trips to service centres with a hope that one day the e-KYC process will be completed.

Will the Aadhaar Seva Kendra urgently look into the issue and instruct the persons at the desk to be more co-operative and patient till all the ten fingers' biometric is successfully captured afresh for storage and future use.

# Rotary celebrates success of mega blood donation drive

***Founder-Editor of** Star of Mysore **and** Mysuru Mithra **K.B. Ganapathy honouring the volunteers and organisers of the mega blood donation camp with mementoes and certificates at an event jointly organised by Rotary Club of Mysore South East, Rotary Mysore and Rotary Club of Vijayanagar at Rotary Mysore auditorium on JLB Road in city last evening. Seen in the photo are Principal of NPS International School Akhila Dinesh, Jyotsna R. Irani of Inner Wheel Club of Mysore, Rotary Youth Service Director Sameer Kashyap and Rotary Club office-bearers.***

Mysuru, Sept. 1 (CN&BCT)- Three Rotary Clubs of Mysuru came together and organised a felicitation event here last evening to mark the success of the mega blood donation camp they had conducted. At the recently held camp, an impressive 953 units of blood was collected from volunteers and donated to hospitals and blood banks.

The felicitation event, held at the Rotary Auditorium on JLB Road, was a collaborative effort between Rotary Club of Mysore South East, Rotary Mysore and Rotary Club of Vijayanagar. The volunteers, who selflessly donated their blood, received appreciation certificates for their invaluable contribution.

Speaking after presenting the mementoes and certificates, *Star of Mysore* and *Mysuru Mithra* Founder-Editor K.B. Ganapathy appreciated Rotary's continuous efforts in serving the society. He thanked the blood donors and the motivators for their sense of community service.

"Genuine happiness and peace lie in the act of giving. In life there is more pleasure in giving than in receiving. I am sure it is in this spirit the donors gave their blood that would save many from their sick bed," said Ganapathy.

"Rotary organisations have collected an impressive 953 units of blood through this initiative. I extend my heartfelt congratulations to all involved," he said. Continuing, he added that those who conceived this project and those who selflessly donated blood are the true heroes.

Netaji Subhas Chandra Bose always used to tell his soldiers, 'Give me your blood, I will give you freedom.' But now, if Netaji were to be alive, he would say 'Give me your blood and I will give you health,' Ganapathy said.

Highlighting the paramount importance of compassion for humanity, Ganapathy said, "Love for humanity should resonate in every human heart in the spirit of our moral precept *Vasudhaiva Kutumbakam*. Only then projects like blood donation can be accomplished."

Over 19 organisations came together to make this mega blood donation camps that were conducted in 12 different places. All those organisers and volunteers were felicitated with mementoes and certificates along with those individuals who extended their cooperation for the initiative.

Comedian Mysore Anand, with his distinct style of imitation, entertained the audience for half-an-hour before the vote of thanks.

Rotary Vijayanagar President H.M. Harish, Secretary Raghavendra, Rotary Mysore Vice-President Roopa, Joint Secretary Ashok, Rotary Mysore South East President K.N. Muralidharan, Secretary N.T. Girish and others were present.

Rotary Mysore President Arun Belawadi told *Star of Mysore* that Shilpashree had scored 96 percent in Second PUC examinations and secured an engineering merit seat at Vidyavardhaka College of Engineering.**

**"Her family approached our club for financial aid and our club members collected the money for this deserving student. She is a brilliant student and we wanted to ensure that she does not face any hurdles in completing her education," Arun said.**

## Karnataka complied with our order: Cauvery Authority in SC

New Delhi, Sept. 1 (Agencies)- Amidst the ongoing controversy surrounding sharing of Cauvery water between Tamil Nadu and Karnataka, the Cauvery Water Management Authority (CWMA) submitted an affidavit to the Supreme Court yesterday.

In the affidavit, the CWMA stated that it had directed Karnataka to release 5,000 cusecs of water at Biligundlu for the next 15 days from Aug. 29. The CWMA clarified that the Siddharamaiah Government in Karnataka had not violated its directive.

TN's request for release of 24,000 cusecs of water is scheduled for a hearing before a three-Judge Bench in Supreme Court today. Currently, Karnataka is releasing 5,000 cusecs of water daily from KRS dam. The dam's water level is at 100 feet, while its maximum capacity is 124.80 feet, raising concerns about the availability of drinking water.

Various farmers' organisations from Mysuru, Mandya and Chamarajanagar, have been staging protests against Congress Government's decision.

# STROKE is life threatening & 'Time is Brain'

**Dr. Shushrutha Gowda**
American Board-Certified Neurologist
Managing Director: NeuroZone &
Gopalagowda Shanthaveri
Memorial Hospital, Mysore

As our former Chief Minister H.D. Kumaraswamy suffered a stroke, the time is apt to talk about this medical issue.

The former CM was lucky that he was brought to the hospital within four and a half hours and received the lifesaving medication called tPA. He received a clot buster medication which probably saved him from a devastating arm and leg weakness.

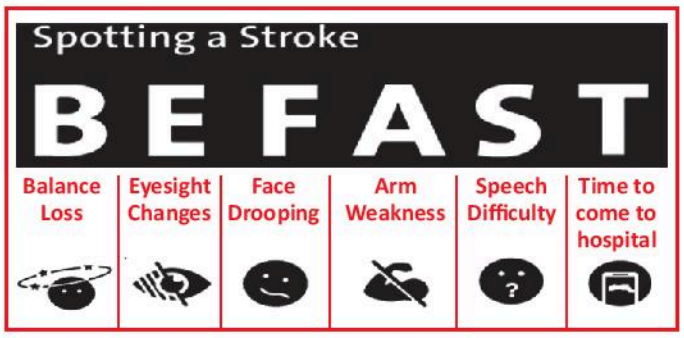
Stroke burden is huge in India, as India encounters around 17 lakh new stroke patients per year. There has been more than 100 percent increase in incidence of stroke in countries like India in the last 30 years. Stroke is the sixth leading cause of disability in India. There are four major causes of stroke and heart attack — diabetes, hypertension, high cholesterol and smoking.

**DIABETES** causes two-to three-fold increased risk of heart attacks and strokes. Around 7.7 crore people in India have diabetes and another 2.5 crore people are at risk to develop diabetes. Kidney, Eye and Nerve damage are the most common complications of Diabetes.

**HYPERTENSION** (High BP; also known as the "silent killer") affects around 128 crore people worldwide. Many of these patients are living in countries like India. Interestingly, more than half of people with hypertension and diabetes don't know they have the disease.

**HIGH CHOLESTEROL** causes blockage of the blood vessels causing stroke and heart attacks.

Lastly, nearly 26.7 crore people in India are **SMOKERS** which again is a big factor for heart attack and stroke.



Stroke usually presents with speech disturbances, vision issues, one-sided weakness of face, arm and or leg. Mnemonic "BEFAST" is an easy way to recognise stroke symptoms.

If you come to hospital within 4.5 hours of having above stroke symptoms, then you can receive (if eligible) clot buster medication or clot removal surgery which increases your chances of stroke recovery fully. Each minute there is lack of blood flow to the brain, it can cause loss of millions of nerve cells. Hence restoring the blood flow to the brain with medication becomes crucial for complete recovery from stroke.

***The saying 'Time is Brain' is very appropriate and you must come to hospital as soon as you or someone you know have stroke symptoms.***

## Prevention of Stroke

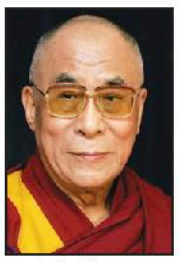
PREVENTION IS EASY IF YOU CONTROL YOUR:

- **Blood Pressure (BP <140/90)**
- **Diabetes (average blood sugar called HbA1C <7)**
- **Cholesterol (Low-Density Lipoprotein - LDL <100)**
- **Quit Smoking**
- **Exercise (at least 30 minutes of brisk walking daily)**
- **Eating fibre-rich foods & less carbohydrate food**
- **Practice Yoga & Meditation**
- **Reduce stress**
- **Good Sleep**

# Former US Prez Barack Obama, Dalai Lama to visit Mandya

Bengaluru, Sept. 1 (KMS& BCT)- Former US President Barack Obama, his wife Michelle Obama and Tibetan Spiritual Leader Dalai Lama are scheduled to visit in December for the groundbreaking ceremony of the International Yoga and Meditation Centre, being constructed by the Bhutaayi Trust in Hallegere, Mandya District.

Barack Obama



Dalai Lama

A delegation, led by the President of Bhutaayi Trust, along with American physicians Dr. Lakshmi Narasimha Murthy and Agriculture Minister (also Mandya District Minister) Chaluvarayaswamy, met with Chief Minister Siddharamaiah in Bengaluru yesterday to discuss the details of Obama's visit. Hallegere, the location for the yoga centre in Mandya District, is the ancestral village of the Murthy family of physicians.

During the meeting, the delegation requested the CM to provide essential infrastructure, including a helipad, in Hallegere. In response, the CM assured them that an officer's meeting would be held shortly. Members of the delegation expressed their belief that the International Yoga and Meditation Centre would not only benefit Hallegere and Mandya District but the entire State as well. They also highlighted the charitable work undertaken by the Trust. Present at the meeting were MLC Dinesh Gooligowda and MLAs Ravikumar Ganiga and Ramesh Babu Bandisidde Gowda.

Dr. Lakshmi Narasimha Murthy (L.N. Murthy), a native of Hallegere with 13 acres of inherited land there, is committed to the development of his hometown. He has initiated the establishment of the International Yoga and Meditation Centre, funded at approximately Rs. 80 crore by the Bhutaayi Trust.

Dr. L.N. Murthy is the father of Dr. Vivek Murthy, who serves as a medical advisor to the current US President Joe Biden and previously advised President Obama. The Mandya District administration is fully supporting the Trust's efforts.

In a prior announcement, MLC Dinesh Gooligowda pledged a grant of Rs. 10 lakh from his Legislator's regional development fund to the Trust. The construction cost of the International Yoga and Meditation Centre is estimated to be between Rs. 80 to Rs. 100 crore, and it will serve people of all communities.

# Nine elephants head to Mysuru

(Continued from page 1)

Accompanying Abhimanyu were eight other elephants: Dhananjaya, Gopi, Kanjan, Vijaya, Arjuna, Bhima, Varalakshmi and Mahendra. Kanjan was chosen at the last moment as the previously scheduled Parthasarathi is in musth and the Department had to replace him.

Forest Minister Khandre released the list of all the 14 elephants that are participating in this year's Dasara. Male elephants - Abhimanyu, Arjuna, Bhima, Mahendra, Dhananjaya, Gopi, Prashanth, Sugreeva, Kanjan and Rohith. Female elephants - Vijaya, Varalakshmi, Hiranya and Lakshmi. Today's batch comprised seven males and two females. The rest of the elephants will form the second batch that will arrive at a later date.

The elephants walked from the Veeranahosahalli Gate till the Nagapura Ashrama School accompanied by folk troupes, Dollu Kunitha, Veeragase, Gombe Kunitha, Patada Kunitha, Mangala Vadya and a team of saxophone players. Women and children accorded a 'poornakumbha' welcome. Over 15 dance troupes welcomed the elephants as they walked majestically.

About 4,000 people, primarily tribals from Nagapura Tribal Hamlets 1, 2, 3 and 4, tribals and relatives from Pakshirajapura, Hunsur and Hanagodu attended the event and a festive atmosphere prevailed. Several tourists

from Mysuru and Bengaluru also attended today's ceremony.

The Forest Department had arranged lunch at the Nagapura Ashrama School for over 4,000 people and an elaborate parking system was devised, unlike in the earlier years, people who have clout could bring their vehicles till Veeranahosahalli Gate. Today, all were required to walk over 2 kilometres and those who could not walk were taken in Police vans through the route.

Gajapayana, once an elaborate event where elephants, mahouts, kavadis (caretakers) and their families covered a distance of over 80 to 100 kms on foot from the forests to Mysuru, has now become a symbolic event. In contemporary times, the elephants and their entourage march symbolically for a short distance before being transported in trucks.

Deputy Commissioner Dr. K.V. Rajendra, SP Seema Latkar, Principal Chief Conservator of Forests (PCCF) and Head of Forest Force Rajiv Ranjan, PCCF of Project Tiger Mysuru G.V. Rangarao, Additional PCCF, Project Elephant Shashwati Mishra, Mysuru Circle Conservator of Forests Dr. Malathi Priya, DCF Mysuru (wildlife) Saurabh Kumar, APCCF A.K. Singh, DCF Mysuru (territorial) Basavaraju, Nagarahole Tiger Reserve Director Harshakumar Chikkanaragund and Mysuru Zoo Executive Director D. Mahesh Kumar were present.

The deceased is Haroon Rashid (79), who was running a fair price shop earlier and had saved some money in his Bank account. On Aug. 28 at about 1.15 pm, a stranger, who called him over the phone, to fulfil formalities to update the Know Your Customer (KYC) and also obtained the One Time Password (OTP) which was sent to Rashid's mobile phone.

Within 15 minutes of Rashid sharing the OTP, he received a message that Rs. 1,46,000 has been deducted from his Bank account. Surprised and also shocked, Rashid informed about the message to his relative Waseem at about 3 pm, who rushed to Canara Bank branch, opposite KSRTC Depot in Bannimantap and informed the staff about the incident. He later went to CEN Police Station with relevant documents and lodged a complaint. CEN Inspector Prasanna, who has registered a case, is investigating through technical method.

Meanwhile, Rashid's relative Waseem, speaking to *SOM* said that, "After Rashid became depressed, relatives and friends met him and put a few words of courage. But Rashid, who slept on Wednesday night, did not wake up next day morning."

A complaint in this regard has also been lodged at N.R. Police Station.

# G-20 summit delegates visit Mysore Palace

*A section of G-20 delegates seen with Mysore Palace Board Deputy Director T.S. Subramanya.*

Mysuru, Sept. 1- Delegates from different countries, who have arrived in India to take part in next week's G-20 summit at New Delhi, visited Mysore Palace yesterday.

They were warmly welcomed by Palace Board Deputy Director T.S. Subramanya. The Palace Guides took them around and explained about the Palace's historical significance, heritage, splendour and architectural grandeur.

The delegates were in Karnataka to participate in the G-20 technical workshop on 'One Health: Challenges and Opportunities' in Bengaluru from Aug. 29 to 31.

The delegates were elated to see the beauty of the Mysore Palace and wrote the following in the Visitors Book:

*"It has been an excellent opportunity for me to visit the Palace along with members of the G-20 delegates, who assembled at the city of Bengaluru for a sideline event on one health organised by Government of India. The visit gave an opportunity to show India's heritage and capabilities possessed over the centuries to the delegates who were from G-20 countries. The management of the Palace deserves all thanks and appreciation for taking care of the delegates and explaining about the Palace. The Deputy Director of the Palace Board Mr. Subramanya and his team need to be applauded for wonderful management of the Palace and keep the Palace in utmost care and cleanliness. I as the Chair of the G-20 sideline event sincerely thank for all co-operation and support to the delegates."*

**— Dr. J.K. Jena,**
**Chair of the G-20 Technical Workshop on One Health**

*"Amazing and Incredible India. Our heritage is something we are proud. One god and depicted in so many forms; truly one earth and one family. Hope it preserves our heritage as it is. Thanks to DD Subramanya for well-maintained Palace and co-operation to facilitate visit for G-20 delegates."*
